Mr. Darin Townsend  
1003 Gray Squirrel Drive  
Pendleton, IN 46064

Dear Mr. Townsend:

In accordance with Fall Creek Regional Waste District Ordinance 84-2 pertaining to the Connection and Use of Public and Private Sewers, and Ordinance 84-3 pertaining to Rates & Charges, you are hereby notified that wastewater collection service is available to your home. Connection to the wastewater collection system is required by District regulations within 90 days of receipt of this letter.

Connection to the District collection system is the responsibility of the building owner and must comply with the Construction Standards as indicated on the enclosed sheet. Disposition of an existing septic tank is also the responsibility of the building owner. The tank shall be emptied of its contents, filled with granular material and disconnected from further use.

You are required to notify the District when the wastewater service connection is ready for inspection and connection to the District sewer line. This service is for wastewater only. Connections of roof downspouts, exterior footing drains, surface run-off groundwater connections or sump pumps are prohibited.

If you have any questions, please contact our office at 765-778-7544.

Respectfully,

J.F. Rowlett  
General Manager
