This Agreement made and entered into this day of <u>100</u>, between FALL CREEK REGIONAL WASTE DISTRICT ("District") and <u>("Applicant")</u> regarding the provision of sanitary sewer service, and the assignment of capacity in, and connection to the District's facilities for the premises located at <u>100</u>

NOW THEREFORE, the parties, in consideration of the mutual promises set out in this Agreement, the receipt and sufficiency of which is hereby acknowledged, agree as follows:

1. The Applicant agrees that all workmanship and materials shall conform to all District ordinances and the District's construction standards. District must accept and approve all work and materials before backfilling and final connection is made to the sewer mains. #### DISCONNECTION OF SERVICE FOR NON-PAYMENT

Occasionally, customers become delinquent in making payments. When this happens, we will offer the customer a Pay Agreement to allow the delinquent payments to be made over time. It is very important for customers who have a delinquent account to communicate with us and let us know when we can expect payment. On the rare occasions where a customer fails to pay and does not maintain a Pay Agreement:

F.C.R.W.D. can record a lien against the customers real property, foreclose on the recorded lien, and sell the property to satisfy the debt.

Additionally, we can discontinue sewer service from the customer's property by digging up the service line and plugging off the line.

Upon disconnection of the service, the Madison County Health Department will be notified of our actions and may condemn the property.

All costs incurred by F.C.R.W.D. in pursuing remedies will be charged to the occupant and/or homeowner of the property.

## RECONNECTION CHARGES
