# DISCONNECTION OF SERVICE FOR NON-PAYMENT

Occasionally, customers become delinquent in making payments. When this happens, we will offer the customer a Pay Agreement to allow the delinquent payments to be made over time. It is very important for customers who have a delinquent account to communicate with us and let us know when we can expect payment. On the rare occasions where a customer fails to pay and does not maintain a Pay Agreement:

F.C.R.W.D. can record a lien against the customers real property, foreclose on the recorded lien, and sell the property to satisfy the debt.

Additionally, we can discontinue sewer service from the customer's property by digging up the service line and plugging off the line.

Upon disconnection of the service, the Madison County Health Department will be notified of our actions and may condemn the property.

All costs incurred by F.C.R.W.D. in pursuing remedies will be charged to the occupant and/or homeowner of the property.

# RECONNECTION CHARGES

Reconnection charges, after service is terminated, will be \$100.00 plus all other costs incurred to collect delinquent balance. This fee must be paid prior to reconnection.

# RETURNED CHECK CHARGES

When a check is returned unpaid by the bank for any reason, the customer shall be assessed a bad check charge of \$20.00.
