Application is hereby made for connection to the Fall Creek Regional Waste District Sewer System for the above listed property - Permit Type: Residential ☒, Commercial _____, Industrial _____, or Governmental/Institutional _____. User Information _____.

All workmanship and materials shall conform to the standards of the District Ordinance as described in Ordinance 84-2 and 84-3 as amended. Acceptance and approval must be made by the District inspector or his duly authorized representative before backfilling and final connection is made to the main sewer lines. Any violation of applicable regulations will cause all lines and appurtenances in violation to be removed and replaced at the owners expense.

The Fall Creek Regional Waste District reserves the right to require inspection, approval of materials, and installation to meet applicable regulations; for materials and installation and any liability for non-compliance is the sole responsibility of the property owner.

I have read and fully understand the provisions and agree to comply by said provisions.
