This Agreement made and entered into this 8th day of Feb., 2001, between FALL CREEK REGIONAL WASTE DISTRICT ("District") and Linda Collins ("Applicant") regarding the provision of sanitary sewer service, and the assignment of capacity in, and connection to, the District's facilities for the premises located at 8633 W. Old Fort Road

1. The Applicant agrees that all workmanship and materials shall conform to all District ordinances and the District's construction standards. District must accept and approve all work and materials before backfilling and final connection is made to the sewer mains. Any violation of this provision will cause all lines and appurtenances in violation to be removed and replaced at the Applicant's expense.

3. The Applicant shall be responsible for all monthly user rates, capacity charges, and tap fees. The failure to pay any rate charge or fee may result in a lien against the property and/or the termination of service to the property, the cost of which will be borne by Applicant, including, but not limited to, all attorney's fees and collection costs.

5. If there is an available sanitary sewer within three hundred (300) feet of the property line, the property owner shall be required to connect to the District's sanitary sewer system.

The parties hereto have read and fully understand the above provisions and agree to comply with said provisions.
